WELCOME TO THE IRON COUNTY FAIR

On behalf of our Cedar City community, I would like to extend a warm welcome to all 2024 Iron County Fair visitors! Thank you for coming and participating in this long-standing tradition. Some of my fondest memories include traditions involving family, community, church, school, and the Iron County Fair.

The parade, exhibits, rides, entertainment, and relationship with our great counties and their communities are unforgettable. There is something spectacular for all ages, and every person will have a gleam in their eye as we “treasure the memories” with priceless involvement that will last a lifetime.

Whether you’re a longtime resident like me, new to the area, or just visiting, there is no doubt you will feel that “magic” at the Iron County Fair that brings the community together in a memorable way. Thank you to all who contributed, competed, and shared talents and skills to make it such a treasured event for everyone. We appreciate Parowan for hosting every year as the Mother Town and county seat of Iron County. Thanks to all the folks who made this event unfold in the amazing way it does and to all the participants who came and enjoyed it.

Come one, come all – I look forward to celebrating with you!

Garth O. Green
Cedar City Mayor

Ahoy, fairgoers!

Whether you’re a longtime resident or a first-time visitor, we are delighted to have you join us in celebrating the vibrant culture and rich heritage that make our town truly special.

This year’s fair promises a bounty of fun and entertainment for all ages. From thrilling rides and games to delicious food and live performances, there’s something for everyone to enjoy. As we come together to create new memories, let’s also take a moment to reflect on the cherished moments of fairs gone by, and appreciate the connections and traditions that bring us closer. So, grab your treasure maps and set sail for a weekend of joy, laughter, and camaraderie. Here’s to treasuring the memories we make together at the Iron County Fair!

Yours in service,
Geoffrey L. Chesnut
Enoch City Mayor

Ahoy Mateys!

Welcome to the 2024 Iron County Fair where a “Treasure of Memories” awaits you! Come “Chew the Fat” and enjoy some “Grub” while enjoying the many activities the fair has to offer including the mud bogs, demolition derby, rodeo, exhibits, carnival, parade, live entertainment, and so much more! A lot of work and planning goes into the Fair and I would like to thank all the volunteers who

help make it possible. I hope everyone brings their family and friends and will “Treasure the Memories” made at the 2024 Iron County Fair!

Todd Robinson
Paragonah Town Mayor

Greetings all, and welcome to the Iron County Fair for 2024. I truly treasured the memories of the Iron County Fair from my childhood. It’s something that I really looked forward to every year.

I’d like to thank all the volunteers that work so hard to make this fair possible for all of us to enjoy, so let’s get out there and make some new memories to treasure.

Clayton Calloway
Brian Head Mayor

Welcome to The Mothertown of Southern Utah and the Iron County Fair where once a year, lifelong memories are created! Nothing compares to enjoying the thrill of rodeo events, the exhibit hall displays of hand-crafted items, locally grown crops and baked goods, thrilling rides on the midway and eating ALL the yummy Fair food. Parowan loves to share our endearing traditions, rich heritage and gratitude for our country and freedom. While you are here, visit our historic sites like the Heritage Park, Veterans Memorial, the petroglyphs and our many local shops and restaurants. We hope you enjoy your time here as you sense the familiar feeling of coming home to family, friends and the wonderful festivities of Iron County Fair!

Be sure to drive or stop by the Historic Parowan Old Rock Church to see the renovations that have taken place through funds raised over the past year and consider purchasing a brick at www.parowan.org to leave your mark! These engraved bricks can memorialize a loved one, share a favorite saying or stake down roots with your family names on a brick or paver. The bricks will be landscaping around the grounds and will create walking paths as part of the restoration of this iconic gem built in 1867 as the first Parowan Meetinghouse. There is so much to enjoy and be a part of in Parowan in sharing laughter and creating memories. Again, on behalf of the Parowan community, we are so happy to celebrate this time together at the Iron County Fair 2024! All the best always.

Mollie Halterman
Parowan Mayor

Welcome to the 2024 Iron County fair. This year the theme is "Treasure the Memory". What better place to come and refresh our memories of fun times from the past than the Iron County Fair. This year will feature all of the fun events that we have come to enjoy like The Mud Bog, Rodeo, and my personal favorite - the Demolition Derby.

The Iron County Fair is a great place to come and celebrate our Utah heritage and remember why we live in this beautiful county. This multi-day event is packed with opportunities to say hello to old friends and make new ones. It is also a good opportunity to let the Iron County Fair committee know how much we appreciate all of the hard work and effort that goes into producing such an event.

Come out to the Iron County Fair and enjoy yourself. I will be there and hope to see you there too!

Tyler Allred
Kanarrville Mayor

Dear Iron County residents and guests,

On behalf of the Iron County Commissioners, welcome to the fair! This year's theme, "Treasure the Memories," perfectly captures the essence of the Iron County Fair. Isn't that what the fair is all about—making memories?

From my earliest recollections, I remember my family eagerly packing up the car to head to Parowan for the fun and amazing events at the Iron County Fair. Some of my favorite events were the parade, rodeo, demolition derby, carnival, exhibits, and tractor pull, which continue to be favorites today. The fair has delighted both the young and old for many wonderful years, and I think you will find this year to be no exception.

Iron County has a rich heritage and tradition, and the fair is a small but impactful part of our lives. Bringing the whole county together at the end of the summer provides a special time to make lasting memories with our friends and family.

You may have noticed some improvements to the fairgrounds over the past couple of years. These enhancements were made possible through donations, volunteer work, and funds generated by tourism. This support has enabled us to give the fairgrounds a much-needed facelift. However, something has been missing from the Iron County Fair in Parowan for many years, but not for long. In the coming year, we will build a barn to house animals, showcasing the rich heritage of our livestock industry and ensuring the importance of where our food comes from is not forgotten. The new barn will, of course, host many other activities for years to come.

I would like to personally thank Jami Evans, our fair director, as well as the PRCA rodeo committee, fair and county staff, for their diligent hard work contributing to the success of the Iron County Fair. I would also like to thank our sponsors, for without them this fair would not be possible or at least not quite as grand. Last but definitely not least, thank you to all our residents and guests for supporting the Iron County Fair.

Sincerely,
Marilyn Wood
Iron County Commissioner

FAIRGROUND IMPROVEMENTS

Several projects have been happening this year out at the fairgrounds. As many of you have heard, Iron County has taken ownership over the fairgrounds. In the past, Iron County has shared the grounds with Parowan City. With the change of hands this has allowed Iron County to make additional improvements to not only benefit the Iron County Fair but also the residents of Iron County.

We invite everyone to come out to the fair this year to see the many improvements that have happened, as well as some still in the works. Some of the improvements are a facelift to the exhibit building and more grass area next to the grandstands - allowing those who enjoy bringing their own blankets and chairs for more seating.

ICFB would also like to thank the many hours the different County Departments have spent to make it all happen and those working to continually improve the fairgrounds and buildings. Thank you!

GRAND MARSHAL

LABOR DAY PARADE | MON, SEP 2 @ 10 AM | PAROWAN MAIN STREET

Frank W. Nichols arrived in Cedar City, Utah in 1964 after hitchhiking cross country from Manhattan, Kansas---having recently served in the United States Navy. He came with the intention of helping his brother, Burt Nichols, as he built Brian Head Ski Resort.

Once the resort was underway, Frank enrolled in The College of Southern Utah where he majored and graduated

in Accounting. He met and married local rancher Celestia Ashdown, and together they have created a successful real estate and land development business, raising four kids in the process.

Frank has been instrumental in bringing industry to Cedar City. He was an economic development ambassador to Pepcon (now WECCO), securing their relocation to Cedar City in the late 80's. It was a crucial time for Cedar City's then ailing economy. He has developed land for many uses including: residential, commercial, religious, schools, farms, and ranches. Frank is also passionate about service. He has donated many hours to the Cedar City Rotary Club, something that he has enjoyed for decades. His love for Iron County runs very deep.

Last year, he was privileged to help make the Iron County Fairground entry improvements come to fruition--a project that should benefit many generations. Frank is bursting with pride about his chosen homeland of Iron County and he appreciates the many friendships and associations he has made over the years.

MAN UP CRUSADE

DOMESTIC VIOLENCE AWARENESS

The Iron County Fair & PRCA Rodeo Board has recently teamed up with the Man Up Crusade® to bring "Purple Night" to the Iron County Fair & PRCA Rodeo on Friday, August 30th, 2024. The Man Up Crusade is a non-profit organization dedicated to creating public awareness on the issue of domestic violence. The Man Up Crusade chose professional rodeo and the Professional Rodeo Cowboys Association (PRCA) as its vehicle of choice to spread the word about the epidemic of domestic violence and teen dating violence. Organizers of the Iron County Fair & PRCA Rodeo have dedicated, Friday, August 30th as Man Up Crusade Purple Night. Across the nation, purple and the purple ribbon has been adopted to show support for victims and for advocates to honor those who have lost their lives at the hands of someone the once loved. On Purple Night all rodeo participants, fans and support personnel are encouraged to wear purple to show their support for this great cause.

Domestic Violence (also known as intimate partner violence) includes physical violence, sexual violence, stalking, and psychological aggression (including coercive tactics) by a current or former intimate partner (i.e. spouse, boyfriend/girlfriend, dating partner, or ongoing sexual partner). Some forms of intimate partner violence (sexual violence, psychological aggression, coercive tactics, and stalking) can be perpetrated electronically through mobile devices and social media sites, as well as, in person. A child's exposure to domestic abuse is the strongest risk factor for transmitting violent behavior from one generation to the next.

NATIONAL STATISTICS

*Provided by National Center for Injury Prevention and Control, Division of Violence Prevention

- 1 in 4 women and 1 in 7 men will experience domestic violence in their lifetime.
- On average, 20 people per minute are physically abused by an intimate partner in the United States.
- Children who witness domestic violence in their home are twice as likely to become abusers or victims as adults.
- 10 million children in United States witness some form of domestic violence annually.
- Almost 50% of all police calls for service are for domestic violence.

Promoting healthy, respectful, and nonviolent relationships and communities can help reduce the occurrence of intimate partner violence. It also can prevent the harmful and long-lasting effects it has on individuals, families, and communities. BREAKAWAY ROPING

Breakaway roping is an exciting and fast-paced event in the world of rodeo. It's a timed competition where a cowgirl on horseback chases a calf and ropes it as quickly as possible. The goal is to throw a loop around the calf's neck and then let the rope "break away" from the saddle horn, which stops the clock.

This event is all about speed and precision. It's a true display of the talent and athleticism of both the rider and the horse.

BARREL RACING

Barrel racing is one of the most exhilarating events in rodeo. It showcases the incredible partnership between a rider and their horse as they navigate a cloverleaf pattern around three barrels in the fastest time possible.

Precision and speed are crucial, as knocking over a barrel results in a time penalty. Barrel racing is a true test of agility, speed, and teamwork.

RANCH HAND SADDLE BRONC

Ranch hand saddle bronc is a rodeo event that combines the rugged skills of ranch work with the thrill of bronc riding. In this event, riders use a working saddle, just like the ones used on the ranch, to ride a bucking horse for eight seconds.

Unlike traditional saddle bronc riding, the ranch hand version emphasizes the practical skills used in everyday ranching, adding an authentic touch to the competition.

MISS RODEO IRON COUNTY

PHOTOGRAPHY BY: AMANDA WILKEY

At this year's Miss Rodeo, the contestants had a rigorous competition in the categories of horsemanship, moving cattle, speech, interviewing, modeling, impromptu speaking, and personality.

Some of the perks of being in the Rodeo Royalty are working with the crowds so they understand rodeo, herding

cattle at the rodeos, judging contests during many of the Fair events, and the best part – signing autographs.

ICFB would like to thank Miss Rodeo's Director, Katie Dannelly and her committee for putting on an outstanding pageant.

SUU ANIMAL AMBASSADORS

MON, SEP 2 @ 1 PM - 4 PM | AG BUILDING

Animal Ambassadors is an outreach program sponsored by Southern Utah University and the SUU Department of Biology. They use live animals to connect with the public about science, nature and conservation. Initially begun in 2011, their program has become one of the most active student organizations on the SUU campus with more than 40 student volunteers, 50 events or presentations and 7,000 audience members each year.

They visit schools, scout groups, libraries and other organizations, as a way to give back to the greater Cedar City Community in a way that is enjoyable and exciting for all. Additionally, they serve a humane role, as most of their animals are former pets or those needing rehabilitation. Animal Ambassadors are excited to be a part of this year's Iron County Fair!

SUNDAY EVENING CONCERT: SAM PAYNE

SUN, SEP 1 @ 7 PM | MIDWAY TENT

(IN CASE OF INCLEMENT WEATHER, CONCERT WILL BE HELD IN PAROWAN HIGH SCHOOL AUDITORIUM)

As a musician, Sam Payne has shared stages with rock legends Toto and Foreigner, pop stars Air Supply and Marie Osmond, and more. He boasts an award-winning catalog of albums of his own, containing storytelling material as well as music, performed either as a solo artist or as the front man of widely performing bands "The Sam Payne Project" and "Savoy."

Sam's band will join him in his performance at the Iron County Fair, and Iron County is in for an evening of fun and uplift as music and storytelling blend together for one unforgettable performance! Spend your Sunday evening at the fair as we present this free Christian concert.

Audiences in Southern Utah have enjoyed Sam's weekly "Radio Family Journal" audio feature, on the air since 2003. For Utah Pioneer Heritage Arts, Sam has been a frequent gun-for-hire, writing commissioned songs and stories on Utah history topics ranging from the complex nature of the outlaw Butch Cassidy to the comment of Bryce Canyon's namesake, Ebenezer Bryce, that the canyon is "a helluva place to lose a cow."

Sam hosts "The Apple Seed" – the award-winning national radio show on the art of storytelling produced by BYU radio – and serves as the Weber State University Storytelling Fellow. He was part of the Peabody-nominated team that created "Treasure Island 2020," the serial podcast based on Robert Louis Stevenson's classic novel, and has brought stories and songs to halls in Canada, Bulgaria, Tokyo, and from coast

to coast in the United States, including performances at the Kennedy Center for the Performing Arts in the nation's capital; the National Storytelling Festival in Jonesborough, Tennessee; and the Timpanogos Storytelling festival in Lehi, Utah.

Sam has authored periodical publications for children, with a regular readership of more than a million elementary school students, and has written books and stage pieces, including "Sanctuary: The Story of Zion" for the centennial of the National Parks Service; "Echoes of Hammers and Spikes" (with Suzanne Christensen) for the sesquicentennial of the completion of the first transcontinental railroad; and "One of a Million Stars" commemorating the 14-year mission of the Mars Rover Opportunity.

SOUTHWEST LIVESTOCK SHOW

THURS, SEP 5 - SAT, SEP 7 | DIAMOND Z ARENA, CEDAR CITY

The Southwest Livestock Show was started in the 1940's and continues to make a positive impact on our youth and our community today, some 75 years later. The mission of the Southwest Livestock Show is to provide an arena where young people can learn and gain discipline, patience, goal-setting, teamwork - all traits that employers seek. Young men and women also participate in project planning and management, creating good work ethic and many new friends providing growth and opportunities in and outside of the arena. We also seek to promote the agriculture industry, provide a cooperation between businesses and community and showcase the traditions of Iron County.

Livestock exhibitors pick up practical agricultural knowledge and experience, such as breed identification, quality and yield grades, breed characteristics, animal health care, animal behavior, nutrition, marketing, animal husbandry, record-keeping and budget management. Please consider helping promote these traits by supporting our young showmen during sale day, by sponsoring their project, helping set up and take down the barn or serve as a member of the teams which are organized by our committees.

The Livestock Show will be held at the Diamond Z Arena. For more information visit swjl.showandfair.com
