It's that time of the year again for everyone to "Round-Up at the Iron County Fair"! The Iron County Fair has always been a long-standing tradition where communities come together to celebrate. It's a popular time when locals who have moved away come back to reunite with family and friends. There is always something fun to do at the fair including the mud bogs, demolition derby, rodeo, exhibits, parade, carnival and much more! As we "Round up at the Iron County Fair", I hope everyone will remember to thank the many volunteers who have dedicated their time and talent to make it all possible. On behalf of Paragonah Town I would like to welcome everyone to the Iron County Fair!

Todd Robinson

Geoffrey Chesnut
MAYOR OF ENOCH CITY

Welcome to Parowan, the Mother Town of Southern Utah and home of the Iron County Fair! We are so happy you are here and invite you to enjoy all of the wonderful events and traditions planned for you to experience with your friends and families to create memories that will last a lifetime. We hope you will take the time to explore Parowan while you are here to visit our historic landmarks including the Parowan Old Rock Church, where you can “buy a brick” at parowan.org with your family name on it to support the restoration in progress of this historic architectural gem. You will notice significant improvements to the Fairground facilities made through possible through tremendous contributions from Iron County. You will also be excited to see our lighted “P” on the hill recently provided through generous donations from Parowan business and residents made possible through collaboration with government agencies including Parowan City, the BLM and the Iron County School Board. We are grateful for all of the hard work and effort toward making this year’s 2023 Iron County Fair memorable and we are so happy we can enjoy the Fair together here in Parowan!

Sincerely,

Mollie Halterman
PAROWAN MAYOR

Dear residents and guests of Iron County,

Greetings to all! As the proud Mayor of Kanarrville, I invite you to join me and others in celebrating the Iron County Fair! This cherished tradition brings us together to showcase the best of Iron County and foster a sense of togetherness.

The fair offers something for everyone, with thrilling rides, delicious food, live entertainment, and local crafts. But beyond the fun, it’s a time to foster a sense of community, belonging and pride in our shared heritage.

Let’s round up our community by inviting friends, family, and neighbors who have and have not yet experienced the joy of our fair. By creating shared experiences and memories, we strengthen the bonds that make Iron County special.

Join in the fun at the Iron County Fairgrounds for a celebration of our heritage, support for local businesses, and a chance to connect with one another. Let’s make this year’s fair an extraordinary gathering that showcases the best of Iron County.

See you there as we round up our people and celebrate the true essence of Iron County.

With warmest regards,

Betty Gould,
HANARRAVILLE MAYOR

Dear Iron County Residents and valued guests, we extend a warm welcome to our wonderful fair! Our theme this year is “Roundup at the County fair”. Historically our pioneer ancestors gathered in the fall of each year to celebrate our heritage, work ethic and the talents that enrich our lives. It is an opportunity to gather with loved ones and enjoy our families and neighbors!

Ingenuity and hard work is what built Iron County. With that same spirit, many thousands of hours have been invested in the last few years to improve our fairgrounds. New bleachers, grass areas to bring your chairs to view the events, new parking area with lighting, new beautiful historic fencing and expanded area for more vendor space and much much more. Many of these improvements have been accomplished with donated labor and materials. We appreciate our staff and many volunteers who make this fair a tremendous success each and every year. And Parowan, our mother town, is such an amazing place to hold our fair each year with its rich heritage and great people.

Bring your crafts, produce, projects and display your talents. Enjoy the Rodeo, Mud Bogs, Demolition derby, and car show while our youth enjoy the carnival and other fun activities! This will be a year to remember so roundup your family and friends and we will see you at the Iron County fair!

Paul Cozzens
IRON COUNTY COMMISSIONER

This year’s 2023 Iron County Fair promises a fun filled time for all! The festivities will include a carnival with our vendor midway, live music, a parade, trail ride, talent show, 4-H horse rides, roping competition, an ATV ride, Mud Bog, Demolition Derby, and so much more and best of all the only PRCA Rodeo in Iron County!

Whether you are a seasoned or brand-new baker, photographer, painter, quilter, or Lego builder, there is a home for your hobbies here at the 2023 Iron County Fair. With no entry fees or age limits, there’s an opportunity for every generation of the family to get involved in this year’s Open Class competitions.

We invite you to immerse yourself in the vibrant energy of the Iron County Fair and create long-lasting memories as a volunteer. By joining our volunteer team, you’ll have the opportunity to be at the heart of the action, contribute to the fair’s success, and create unforgettable moments along the way!

The Iron County Fair & Rodeo has made a tradition of pairing the best athletes with some of the best livestock in the west. This year will be no exception! Stock Contractors Bar T Legacy Pro Rodeo will bring rough stock to test the best. I hope to see all of you at this year’s Rodeo!

Miss Rodeo Iron County

The Miss Rodeo Iron County Pageant has been a tradition for decades and the queen and attendants have the responsibilities to attend and support all of the Iron County Fair events throughout the year.

Miss Rodeo is a rigorous competition in many categories such as horsemanship, moving cattle, speech, interview, modeling, impromptu speaking, and personality.

Some of the perks of being in the Rodeo Royalty are working with the crowds so they understand rodeo, herding cattle at the rodeos, judging contests during many of the Fair events, and the best part – signing autographs.

“In the rodeo family we all support one another, and the pageant really enhances that and gives the girls new opportunities, Rodeo is a part of the heritage of Iron County and being a part of the pageant carries that tradition on, honors our past and our history.”

Mufflers with an approved spark arrestor are required on all OHVs.

Anyone under 18 can operate an OHV on public land (no longer an 8-year-old minimum age requirement) if they are:

- Able to reach and operate each control necessary to safely operate the off-highway vehicle and;
- Have in their possession an OHV education certificate or a valid Driver's License and;

- Under direct adult supervision

Adult supervision is required if:

- Under 18

Trail Ride

Trail Poker is back again - See who can collect the best hand along the trail all while viewing the scenic landscape of Southern Utah. A beautiful horse ride through the Parowan foothills is just what is needed to get into the fair spirit.

If you are interested in participating in this event, bring your own horse and meet us at the Iron County Fairgrounds at the south parking lot (by the Cemetery).

As if the ride just wasn't enough, there will also be a free lunch

and a drawing for prizes after the ride! We thank Lloyd and Dana Stubbs (and their family) for preparing the lunch each year.

The event directors suggest that riders come prepared with proper clothing and sun block. Parents, please do not send children unattended. Mark Evans will be the trail boss this year. The Fair Committee would like to thank him for heading up this event. Please enter the fairgrounds off East City View Dr. by the cemetery!

BARRELMAN/CLOWN

Dustin Jenkins

Dustin grew up with the western lifestyle running through his blood. From his father, Larry Jenkins to his brother, LJ Jenkins, they were all able to share the “cowboy tradition” together. At the age of 11, Dustin was introduced to the rough stock events called steer riding as well as Jr. bull riding and was obsessed. He competed in bull riding, bareback, and saddle bronc for a couple of years until around the age of 13 when he took interest in bullfighting. He started fighting in Billings, MO on Wednesdays.

After taking some hard hits and getting ran over too many times, he realized he needed help from someone that knew what they were doing. In 1998, Dustin went to a bullfighting school that Rex Dunn hosted and gained a great friendship and learned so much about fighting bulls. He fought bulls professionally until 2002 when unfortunately, he was diagnosed as a Type 1 Diabetic. Dustin did not let that slow him down. He chose to become a Professional Rodeo Clown/Barrelman and travel all over the world to entertain his fans.

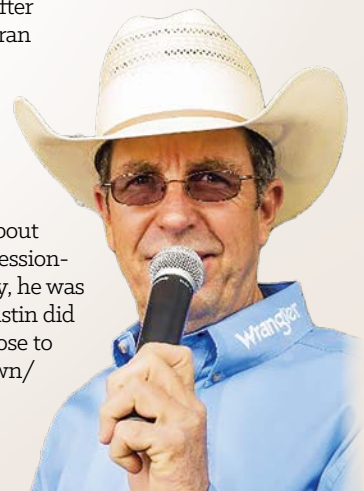

STOCK CONTRACTOR

Legacy Pro Rodeo recently bought out Bar T Rodeo. ICFB is excited to continue with the Legacy Pro Rodeo and continue to make the Iron County Fair & PRCA Rodeo better each year. Bar T Rodeo Company was founded in the Red Rocks of Moab, Utah over 60 years ago by Cowboy Hall of famer D.A. Swanny Kerby & his wife Verda Kerby. TOUGH ENOUGH TO WEAR PINK

Charity Garza

Pink Christmas is a 501(c)(3) non-profit foundation that raises money for local families who are battling all types of cancer. The foundation was started in 2013 for Lori Blackner Myers and has been carried on in her honor by Rachel Torres and Joy Coates. Together with the support of the community the foundation has helped raise over \$350,000 for 25 families since it began 10 years ago. The foundation is operated solely by volunteers and funded by the community by donations. We believe that Pink Christmas is special to Iron County because of the amazing and caring community we have that provides its members the support needed to be successful. We are excited to have opportunities like this to partner with the Iron County Fair, PRCA Rodeo, and the community to help additional families.

Charity Garza was diagnosed with stage 3C triple negative breast cancer. Her cancer is an aggressive and fast growing cancer. Charity is currently receiving weekly chemo treatments that includes 2 different chemo and immunotherapy. She has a husband and three teenage children and is used to a very busy lifestyle so the adjustments to not feeling well have been difficult. The plan for her is to have additional radiation treatments and surgeries after the 6 month chemo process. The road ahead of her is a long, hard road however she believes that she will win this battle because there is too much worth living for.

At Pink Christmas our focus is not solely monetary based. What we love the most about what we do is showing families that they are loved and supported. We want them to know they have people rooting them on and as Lori would have said, "It will all be okay".

TRACTOR PULL

Saturday, September 2 / 1 pm

Returning for the 2023 Iron County Fair is the Antique Tractor Pull, held at the Iron County Fair Grandstand. This event has evolved over time as farmers try to prove who has the toughest tractor. Originally two tractors would hook drawbar-to-drawbar and stage a tug-of-war. Today, a transfer sled is utilized. This weighted sled transfers more weight from the sled to the tractor the further it travels down the track, until the tractor is stopped by the load. The longest pull in each tractor weight class is declared the winner. Tractors will compete against other tractors of similar weight. The weight classes for tractors range from 1,500 lbs to over 10,000 lbs. The Antique Tractor Pull is open to all two wheel drive tractors manufactured in 1969 or before.

Divisions:

- 3 mph Farm Stock (for antique tractors made before 1960)
- 4.5 mph Farm Stock Plus (for all antique and classic tractors made prior to 1970)

Pre-register for the Pull with June Salisbury 435-632-1470 or junesalisbury@gmail.com. For more information contact Sam Kravez at 435-590-9985.

The Antique Tractor Pull is being sponsored and conducted by the Color Country Antique Machinery Association (CCAMA) and is open to all two wheel drive tractors manufactured in 1969 or before.

5K Fun Run & Walk

MON, SEPT 4

WALK / 8:30 AM RUN / 8:45 AM

Get in shape and come have fun at this year's Iron County Fair 5K Run & Walk. The ICFB is hoping to see many more families come out and run or walk with us this year. Come and run as an individual or as a family team. Each family team must consist of at least five runners. The runners can be part of any age group or gender. The only requirement is that you are part of that family. The Family Race will be scored like a cross country race. Each team member will be awarded the number of points that correspond with the place they finish by their age group placing. The family who finishes with the least number of points will be this year's winner and will receive a prize, as well as bragging rights for the next year.

The Iron County Fair 5K Run and Walk provides a fun, positive experience for any age or ability. With over 200 participants in last year's event, you should be able to find someone to run or walk with that is at your pace.

The race starts at the entrance to the carnival and finishes down the parade route. Contact Stephanie Blauer (435) 590-4588 for more information.

Register by Aug. 31 to prevent late fees.

GRAND MARSHAL

Mel Clark

Mel Clark was born in Cedar City to parents Ken Clark of Cedar City and Claudia Burton of Parowan. He spent most of his early years with his Grandpa Clark working for Clark Livestock in Cedar or with his Grandpa Burton working for Burton's Garage in Parowan.

Mel moved from Southern Utah in 1958 and spent the next 30 years working in Nevada, Arizona, California, and Utah. Even with his travels, he has tried to spend as much time as possible in the place he calls home, Southern Utah and has had a home in Kanarraville since 1978.

Mel started his own construction company, Mel Clark, Inc. in 1990 in Las Vegas; expanding to Southern Utah in 1994. Mel Clark, Inc. has around 50 employees year round from Southern Utah to Nevada. He is still very much involved in the everyday tasks of his company.

Mel has been a huge supporter of rodeo and Junior Livestock shows in Utah and Nevada. Mel supports the livestock shows because he believes it is important to teach kids the value of life and that there are no days off when you are raising livestock. "You get out of it what you put into it." He really enjoys helping kids who will work at keeping the western way of life alive.

In his free time, Mel loves to raise roping cattle and also team ropes. He still makes time to rope 2 to 3 times a week.

In 2006, Mel moved back to Southern Utah full time. It was at that time that he met his wife, Donna Bulloch. They love to spend their time on Cedar Mountain in the summer and going to rodeos and drag races in the winter. Their love for animals is unmatched, they can usually be seen with 2 German Shepard's in tow at all times.

Animal Ambassadors

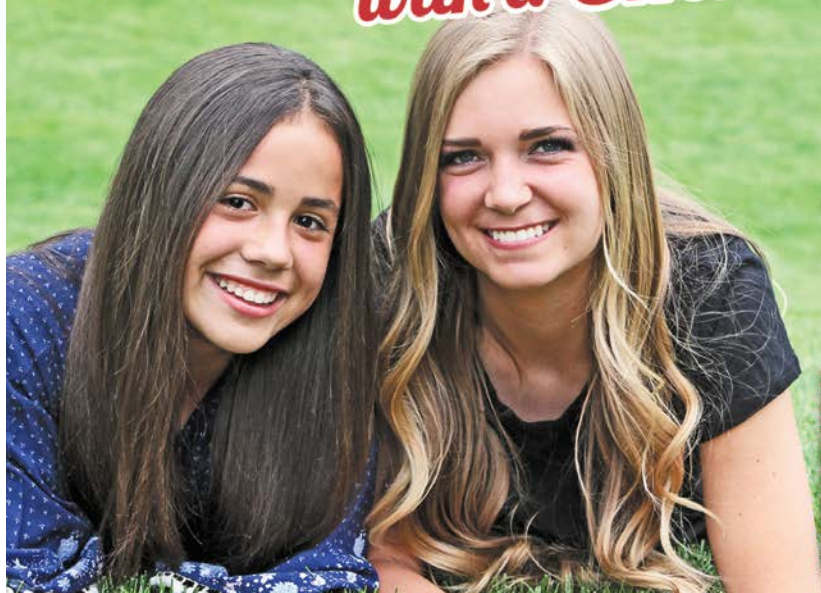

MON, SEPT 4 / 1-4 PM

The Animal Ambassadors will be located in the Ag Building. Animal Ambassadors is an outreach program sponsored by Southern Utah University and the SUU Department of Biology. We use live animals to connect with the public about science, nature, and conservation.

Initially begun in 2011, the program has become one of the most active student organizations on the SUU campus with more than 40 student volunteers, 50 events or presentations, and 7,000 audience members each year. We visit schools, scout groups, libraries and other organizations, as a way to give back to the greater Cedar City Community in a way that is enjoyable and exciting for both the community and for SUU students. Additionally, we serve a humane role, as most of our outreach animals are former pets or animals needing other help or rehabilitation. Animal Ambassadors is excited to be a part of this year's Iron County Fair!

Southwest Livestock Show

THURS, SEPT 7 – SAT, SEPT 9

The mission of the Southwest Livestock Show is to provide an arena where young people can learn and gain discipline, patience, goal-setting, teamwork. Young men and women will also participate in project planning and management, creating good work ethic and many new friends! We also seek to promote the agriculture industry, provide a cooperation between businesses and community and showcase the traditions of Iron County.

The Southwest Livestock Show was started in the 1940's and continues to make a positive impact on our youth and our community today, some 75 years later. Many hundreds of people work together to provide a place where young people can fit, show and sale their livestock project. Without even realizing it, FFA and 4-H members who show livestock are

developing character traits that will carry them throughout life – regardless of their career choice.

Discipline, patience, goal-setting, making friends, teamwork, project planning and management, math and, of course, a good work ethic are traits which all employers seek. Livestock exhibitors also pick up practical agricultural knowledge and experience, such as breed identification, quality and yield grades, breed characteristics, animal health care, animal behavior, nutrition, marketing, animal husbandry, record-keeping and budget management. Please consider helping promote these traits by supporting our young showmen during sale day, by sponsoring their project, helping set up and take down the barn or serve as a member of the teams which are organized by our committees.

The Livestock Show will be held at the Diamond Z Arena. For more information visit www.southwestlivestockshow.com.
